

Vivid™ iq

The power to take you places.

Portable. Powerful. In touch.

Built for today's challenges and tomorrow's possibilities, GE's evolutionary Vivid™ iq has the power to take you places. You asked and we listened!

Vivid iq brings you everything you've been looking for in portable ultrasound.

Collaboratively developed and extensively tested, GE Healthcare's compact

delivers a combination of portability, reliability, ruggedness and power that fits right in with your needs – wherever your journey takes you.¹

Diagnose with confidence as you explore 2D TTE and TEE images with Vivid quantification tools. Pinch and zoom through your work on the comfortable touch interface. Carry it with you – from the hospital to an office-based practice – thanks to a design that’s 10 percent lighter and thinner than the Vivid q.
